## **Special Education Teacher**

## For Poplar Hill Education Authority

Poplar Hill First Nation is a community of 600 hundred residents located 20 air minutes from Red Lake Ontario. We have a school population of 140 students.

We are searching for a warm, loving teacher who will impart love for school and education to our students. They are enthusiastic learners, who come to school speaking Ojibway. They have limited English skills and require someone with patience and understanding as they overcome this obstacle.

In this position, we are looking for somebody with a special talent, musical, or a computer geek or mathematical. You will need to have Special Education part 1.

We expect you, the teacher, to have your Bachelor's Degree along with a Bachelor of Education and Ontario Teaching Certificate. Your resume package should include two references that we can contact along with a recent criminal check.

You will be living in a remote community accessible by plane and during the winter for 6-8 weeks by winter road. Our community is comprised of Nursing Health Unit, Northern Store, Band Office and Water Treatment Plant. You will be living in furnished accommodations within walking distance of the school.

We have moved into a brand new school with bright classrooms. All classrooms feature smartboards and computer accessibility with students having access to laptops.

We have a supportive experienced staff who are very professional in all aspects of their work. We have a supportive school community.
